

Dimensional Moldings - Feature Rails

Dimensional Moldings provide a perfect opportunity to create a high-end paneled look without the need for panels. Our Feature Rails are available in designer styles including Traditional, Transitional and Contemporary. This system coordinates beautifully with all Acrovyn Sheet finishes and Dimensional Molding Components for endless options from classic to modern.

Features

- Available in all standard Acrovyn finishes, including solid colors, woodgrains and brushed metals
- Can be used for wainscot, horizontal, vertical, or picture framing applications
- Miter easily to frame windows, door frames, and corners or to use as design features
- Custom shapes available
- Design assist support available

Benefits

- Customizable to meet specific design needs
- Low-maintenance solution for a high-end appearance
- Coordinates beautifully with other Acrovyn wall and door products
- Pre-engineered decorative rails to enhance an interior space

Applications

- Hallways/corridors
- Reception areas
- Cafeteria/dining spaces
- Common areas
- Lobbies

Building Segments

- Healthcare
- Health & Wellness
- Hospitality
- Education
- Civic & Culture
